PVC & CAST ACRYLIC SHEETS

PVC & Acrylic sheets are a handy medium around water because it is non-toxic, doesn't shatter like glass, is easy to cut, bend, drill or grind into the shape required. It can be used for filter construction, tank dividers, lids and a host of other necessities. Aquasonic has a cut to size service available. Colour acrylic sheets available in 3, 6 & 10 mm.

- Mirrored sheets also available.

CLEAR CAST ACRYLIC SHEETS

3mm, 4.5mm, 6mm, 10mm thicknesses, all available in a full sheet or cut to size. Full sheet 2440mm x 1220mm.
