

Bio-Safety Sneeze Screens

Protect your staff from airborne particles.

Custom built to suit your counter tops, made locally
in the Port Macquarie-Hastings district. Full width or partial width.

We are a local plastic fabricating specialist with our factory based in Wauchope. In these unprecedented times a need for shop counter protection for your staff has been brought to the fore. We have the technology, tools and knowledge to build **Bio-Safety Screens** which can be made to your specification.

We offer;

- ✓ Full counter width or
- ✓ Partial counter width
- ✓ Permanently fixed or
- ✓ Free standing
- ✓ Full height to ceiling
- ✓ Partial height to your specification
- ✓ Acrylic or polycarbonate
- ✓ Installation service
- ✓ Fast turnarounds

We offer signage options which promote social distancing

We all know the phrase "a picture paints a thousand words". Sometimes we might find it difficult to tell someone to keep 1.5 to 2 metres away. A sign will go a long way to achieve this - and there might not be a need to then tell people.

We can print this on a4 or A3 240gsm paper stock
or on self adhesive vinyl sticker (SAV).
